APPROVAL DECISION

Name: Mohammed Eisa
Birthday: 1/4/92
Place of Birth: Swat, PK

has successfully completed our four-week admissions process and can therefore start studying at 42 Heilbronn from March 13th, **2023** .

42 is a programming school where you study full-time and in attendance in Heilbronn. We challenge the traditional learning model and offer industry-leading programming education spanning approximately three years in total.

Supplement for students from third countries:

Our campus language is English and no language certificate is required from our side. If the general requirements for granting are met, the applicant will be granted a residence permit by the immigration authorities in accordance with Section 7, Paragraph 1, Clause 3 of the Residence Act.

Kind regards
On behalf

Your 42 Heilbronn team
